

## JERA CAPITAL

Jera Capital is a Copenhagen based firm specializing in private equity secondary investments across Western Europe and North America.

Jera Capital is built on strong core values of collaboration, teamwork and integrity; our team pursues excellence and always strive to do the right thing.

We invest in our employees, clients and partner relationships, as well as, in the tools, technology and resources necessary to remain competitive, working in a fast-paced environment that inspires innovation.

Jera Capital was founded in 2021 by the three senior investment professionals who were previously heading the private equity program at Nordea Asset Management.

## Investment Student Analyst, Private Equity Secondaries

*Are you curious about private equity investments and eager to combine data and knowledge with hands-on experience? At Jera Capital, you'll have the opportunity to grow professionally in an entrepreneurial and international environment, working closely with experienced investment professionals. You'll be part of a dedicated team where collaboration, insight, and a strong commitment to quality are central to everything we do.*

### THE OPPORTUNITY

We are looking for a dedicated and detail-oriented **Investment Student Analyst** to join our team for 15-20 hours per week. This is a rare chance to gain hands-on experience in the private equity industry, particularly within the dynamic and fast-growing secondaries segment.

### YOUR RESPONSIBILITIES

- Support the analysis and evaluation of LP-led and GP-led private equity secondary transactions
- Assist in preparing presentations, investment reports, and client materials
- Maintain and update internal data infrastructure and reporting tools using Microsoft Excel, Word, Power BI, and other software
- Conduct market and fund-level research
- Help ensure data consistency, accuracy, and effective communication across the team

### YOUR PROFILE

- Currently enrolled in a **finance or economics** bachelor's or master's program and at least **two years into your studies**
- Strong analytical and numerical skills
- Proficient in Microsoft Excel, Word, and PowerPoint; experience with Power BI is a plus
- Reliable, detail-oriented, and structured in your work
- Comfortable working both independently and as part of a team
- Fluent in **English**, both written and spoken

### WHAT WE OFFER

- A flexible part-time position (15-20 hours per week)
- Insight into the global private equity industry and institutional investing
- The chance to work closely with a highly seasoned team in a supportive, professional environment
- A steep learning curve and meaningful responsibilities from day one
- A positive and collaborative team culture in a dynamic investment firm

The position is based in Copenhagen. Apply by emailing a short motivation letter, CV and relevant grade transcripts to [careers@jera-capital.com](mailto:careers@jera-capital.com) no later than 1 September 2025.

Please contact Alexander Reventlow on [ar@jera-capital.com](mailto:ar@jera-capital.com) if you have questions to the position.
